Junee North Public School

Developing Respectful, Responsible & Safe Learners
Our Merit award system awards classroom learning achievement, effort and attitude. Students may receive an award for such things as quality work, presentation of bookwork, improvement, efforts towards their learning, positive learning behaviours as some examples.

Merit awards will be presented at weekly assemblies. The number of merit awards presented by each class may differ from year to year depending on class sizes – this is to ensure a fair system for all. In 2016 the number of merit awards presented by each stage will be:

Kindergarten – 3 per week
Stage 1 (Year 1 & 2) – 4 - 5 per week
Stage 2 (Year 3 & 4) – 5 - 6 per week
Stage 3 (Year 5 & 6) – 4 - 5 per week

Once children accumulate 2 merit awards, they will then be presented at the next assembly with a Principal’s Award. Parents will be notified that their child is to receive this award. Two more merit cards will earn students a Book award; two more a Pennant Award and 2 more a Medallion. In other words, children must attain 8 merit awards in the year to attain their medallion.
